

CRANE OPERATOR TRAINING

LEVEL 1 RIGGER CERTIFICATION

THE COURSE:

LEVEL 1 RIGGER CERTIFICATION

The Level 1 Rigger Certification Course takes 1 day to complete. Upon successful completion, you are fully prepared to be a competent rigger on any jobsite

Taught by an accomplished Red Seal crane instructor, Master Rigger and Rigger Certifier, the Level 1 certification training program combines in-class content with practical experience. Students receive classroom theory and hands on practical training including calculating load weights, finding load center of gravity, rigging loads and making actual crane lifts giving direction to a crane operator. The goal of the Level 1 training program is to equip you for a safe career as a safe, knowledgeable and confident rigger.

COURSE OUTLINE

- Crane and hoisting hand signals
- Load weight estimation
- Location of the load centre of gravity (COG)
- Rigging hardware and appropriate uses
- Rigging hardware inspection and rejection criteria (regulations varied by jurisdiction)
- Use of rigging tables to select appropriate hardware for hoisting
- Sling angle capacity calculation
- Care and storage of rigging hardware
- Common hazards and safety around cranes and overhead hoists
- Lift planning and advanced topics awareness

ASSESSMENT

The assessment is completed by the instructor who is a Rigger Certifier. After you are certified as a Level 1 Rigger you will receive a Fulford Cranesafe picture ID wallet card valid for 5 years.

If you want to take the next step and become a certified crane operator, Bigfoot Crane Academy has many options to propel you into a high paying career as a fully certified Level A crane operator.

FREQUENTLY ASKED QUESTIONS

Q: Who is this crane training program for?

A: Absolutely anyone who is interested in learning to operate a crane! We have had a wide range of students successfully complete our program; from those who have been in construction and trades to those who have never touched heavy machinery in their lives. People with backgrounds in office work, medical professions, food service and construction have all made the choice to boost their career and open themselves up to new opportunities working with cranes. See Course Outlines.

Q: What is cost of crane training?

A: Our crane training programs vary in cost due to length and requirements. Call our head trainer, Ralf Notheis, to discuss your career goals and he can suggest the appropriate program with pricing. Ralf loves talking cranes, and to those interested in getting involved with cranes – give him a call today! You can reach Ralf directly at (604) 626-2568. See Course Outlines.

Q: When are the courses offered?

A: Many of our courses are scheduled monthly but we can also run certain courses on-demand to fit your schedule. If you're interested in a course, give us a call (604) 626-2568. See Course Schedule.

Q: How do I become certified?

A: After completing the classroom and field practical work, your certification assessment will be scheduled for the last day of the course. When you pass your assessment you will be certified and ready to start your new career as a crane operator! To learn more about the certification, please visit:
www.fulford.ca/crane/cranesafe.html.

Q: What is the classroom size?

A: At Bigfoot Crane Academy, we maintain a smaller class size, from 1-8 people, which allows us to focus on providing individual assistance throughout the course.

Q: Do you provide job assistance?

A: Crane Operators are in demand; While we can't guarantee job placement, we do regularly receive calls from companies recruiting for new crane operators. We have successfully connected many students with great employers. Investing in your career and continuing education is always a safe bet. Why wait for a modest annual raise when you can take charge of your career and your earning potential? Call Ralf today, (604) 626-2568.

Q: Who do I contact about my registration?

A: To register, please call our head trainer Ralf Notheis directly at (604) 626-2568 or email
RNOTHEIS@bigfootcrane.com

Q: What do I need to bring to class?

A: To be prepared for class, please bring a calculator, hard hat, safety vest and steel toe boots (should be CSA approved footwear) – and most importantly bring a great attitude ready to learn. Bigfoot Crane Academy will provide everything else. We look forward to seeing you in class!

Q: Who provides the crane certification assessment?

A: The Crane Certification Assessment is provided by Fulford Certification, a third party which will administer the final assessment containing both theory and practical components. For more information about Fulford Certification, please visit:
www.fulford.ca/crane/cranesafe.html.

Q: Do I need to be registered with the crane association prior to taking classes?

A: Yes and you can register on-line at www.bcacs.ca.

Q: What happens if I do not pass parts of the assessment?

A: Our Crane Academy has a high success rate but if you are unsuccessful on either the theory or practical components in your final assessment, a re-assessment will be scheduled. You will only be required to re-assess for the portion in which you were unsuccessful. There are time limits and fees associated with the reassessment process.

Q: How long is the lunch break?

A: We provide a 30 minute lunch break and two short breaks mid-morning and afternoon.

Q: Is there anything I need to read before taking the course?

A: We love the enthusiasm! But no, there is no prep required prior to taking the course. We prefer that our instructors deliver all the fundamental material so our students receive the most accurate information, in addition to the appropriate application of that information in the field.

Q: How do I pay?

A: Our Courses can be prepaid by Visa, Mastercard, Certified Cheque or Bankdraft.(A credit card convenience fee may apply)
