

**Safe. Efficient. Strong.**

# 5-in-1 Concrete Bucket

Take control with the C-N Series 5-in-1 Concrete Bucket from Boscaro.

Increase efficiency with our highly customizable concrete buckets. With three available attachments and five configurations, the C-N Series is the last concrete bucket you will ever need to buy.

The auto-closing spring gate gives you total control over your pour, whether working with it on the ground or suspended.

All Boscaro below-the-hook accessories are certified for use across North America and meet or exceed **ASME B-TH1/B30.20** standards.

Each unit comes with a dedicated serial number and conformity statement which ensures compliance with ASME.

## FEATURES

- 5 Buckets in 1
- Variety of attachments to choose from
- Auto-closing spring discharge gate
- 100% Welded steel construction
- Durable powder coated finish
- Meets or exceeds all ASME Standards

“Boscaro products have proven time and time again their quality, safety, and durability. Boscaro products continue to offer significant value on our projects.”
