

Safe. Efficient. Strong.

Four Person Man Baskets

Model CPP-G4A

Increase your safety and efficiency with the CPP-G4A Man Baskets from Boscaro.

Designed for optimal safety and versatility, the CPP-G4A is ideal for use both as a work platform and as an Emergency Rescue Platforms

(ERP). These man baskets are easily accessible through opening doors and ramps and are spacious enough for four people or two people and a stretcher.

All Boscaro below-the-hook accessories are certified for use across North America and meet or exceed **ASME B-TH1/B30.20** standards.

Each unit comes with a dedicated serial number and conformity statement which ensures compliance with ASME.

"Boscaro products have proven time and time again their quality, safety, and durability. Boscaro products continue to offer significant value on our projects."

Ed Hawthorne, Safety Manager
Walsh/PCL - JV II

"The best money we've ever spent on crane accessories."

Mike Dawson, President
