

Safe. Efficient. Strong.

# Self Dumping Bins

Increase your safety and profitability with the A-D Series Self Dumping Bins from Boscaro.

Engineered for optimal safety and efficiency, the A-D Series' hands-free function saves time and increases safety. These bins can be operated and unloaded independently by your crane operator.

All Boscaro below-the-hook accessories are certified for use across North America and meet or exceed **ASME B-TH1/ B30.20** standards.

Each unit comes with a dedicated serial number and conformity statement which ensures compliance with ASME.

## FEATURES

- Designed for hands-free unloading
- Proven safety, strength and longevity
- Durable powder coated finish
- 100% Welded steel construction
- Meets or exceeds all ASME Standards
- 16 Sizes to choose from

“Boscaro products have proven time and time again their quality, safety, and durability. Boscaro products continue to offer significant value on our projects.”
